I'm meeting with David Cox at the U of M Wednesday afternoon. I can make Thursday afternoon work.

Remember that we are having a core group meeting on Tuesday, September 13 to focus on KPIs from 11 am- 1 pm. Both Angela Madden and K.B. Turner will be at the meeting.

Also, I have set aside the rest of Tuesday, September 13 for any follow up meetings we need to have with any key stakeholders available that day to go over the wording of the outline that relates or them - people like Phyllis, Olliette etal (It seems to me that does not necessarily involve an entire core group meeting with each person. In fact, it is possible that a lot of it could be done via email and phone.)

Remember that the week of September 19 is when we need try to get the key stakeholders (mayors, police director, sheriff, etal ) to sign off on the entire draft outline. I am asking Sam to find out your availability that week. (Amy, as OSC chair, you are obviously the key person.)

Subject: latest OSC III plan draft

Hi team.

Attached is the latest osc iii plan outline updated through yesterday's meeting with doug. I also added a few links for your reference on DVI, GVI and "Swift Certain and Fair" (bill, please review especially the swift certain and fair link to be sure it's appropriate for the administrative sanctions.), oh and also added one on the JAC.

Also, I attached the neighborhood safety council concept paper which is updated since our meeting with Doug yesterday to include the 311 piece.

After our JAC and Re-entry meetings on Tuesday, I'll update again and provide concept summaries for each. We need to do a core team debrief/meeting next week. Amy and Bill – when are you available for 90 minutes Wednesday or thursday?

Have a great weekend!

Blair
